

YOU CAN MAKE A DIFFERENCE IN CENTRAL INDIANA!

The best time to plant a tree is twenty years ago; the second best time is right now!

All trees planted in Boone, Brown, Hamilton, Hancock, Hendricks, Johnson, Marion, Monroe, Morgan, or Shelby Counties between March of 2004 and December of 2010 will count toward the *Plant A Million Campaign*. Fill out the easy form below and return to the address below to make your trees count!

Please note the following information for internal use only for tracking numbers of trees and will not be shared, distributed or sold.

COUNT MY TREES... to help reach the Plant a Million Goal!

_____	_____	_____	_____

Want to know more about Plant a Million? Contact your local Soil & Water Conservation District (listed under county government offices in your local phone book)

Type of Tree(s) Planted:

- _____ bare root trees (a seedling grown in a nursery bed that has the soil removed from the roots before packaging and shipping – the tree may look like a small branch with roots)
- _____ balled and burlapped trees (a method transporting larger trees with most of the root system enclosed in a ball of soil, wrapped in burlap or similar material)
- _____ container trees (a tree that is grown in a bucket-like container at the nursery and sold in the container)

Purpose of Planting (check all that apply)
